

**Effective Grading Committee**  
**Agenda May 22**

**Group Norms**

- Be solution focused with students at the forefront.
- Be considerate of others - allow others to finish thoughts.
- Seek to understand both local and global views.
- Assume positive intent.
- Engage in positive public communication once consensus is built.
- Follow through with commitments: be prepared, be engaged, stay on task.

**Agenda**

1. Review consolidated purpose statements and decide on format.
2. Review elements of Standards-Based Education (list compiled from last meeting)
  - a. Discuss if there is anything we disagree with
  - b. Discuss if there is anything that needs further clarification
  - c. Write down any additional assumptions to address
3. Review Traditional vs. SBG vs. SRG chart
  - a. Verify common understanding
  - b. Identify anything that needs further clarification
4. Review questions to consider during book study
5. Clarify expectations for summer reading
